

TAKAGI COFFEE
since 1958

From the many coffee varieties found all over the world, we carefully select and obtain green beans that are suitable for Takagi Coffee. This includes rare varieties that are rarely available, and we roast them daily in our shop. The time elapsed after roasting is crucial for the coffee beans. We age the beans until they reach their most delicious state and grind them for each order before brewing the coffee. Please enjoy a cup of coffee with its delightful aroma and relaxing happiness.

2. Belle-Ville Pancake Cafe

If you get a kick from stacking blocks in a game of Jenga, the pancakes from Belle-Ville Pancake Cafe are right up your alley. Expect towering stacks of pancakes that are made from a batter that includes hand-whipped egg whites, Hokkaido milk and Japanese flour. The name of this Osaka-based pancake shop sounds like millefeuille, which is a multi-layered French pastry.

Each indulgent stack comprises four or eight pieces of chubby pancakes that are layered with fresh cream and fruit, and has syrups or sauces trickling down in dramatic fashion. Items that sell like hotcakes include matcha pancakes with shiratama mochi, azuki red beans and black honey, and banana pancakes with lightly torched bananas and chocolate sauce.

並んでも食べたい。パンケーキが人気のカフェ

梅田駅から徒歩3分にある喫茶店。パンケーキが人気。注文を受けてからメレンゲを立て生地を作るパンケーキはなかなかめずらしい口当たりもおいしい。「ミルフィーユ」(パンケーキ4枚) (430円) - いちごとクリームが振まわっている「いちごとミルクベリー」の「パンケーキ2枚」(730円) がオススメ。ショッピング時の休憩にオススメ。

ベルヴィルのふわふわゆるゆる♪♪ミルフィーユパンケーキ！4枚 490円

読者テレビ「arena」、関西テレビ「MNDとまなぶくん」、サンテレビ「4時！キャッチ」で紹介されました。当店のパンケーキは、さまざまな菓材をブレンドし、ミキサーにかけて生地を作ります。冷凍庫を一切使わず、毎朝、数百個の卵を割り、黄身と白身を手作りで分けることから始まります。オーブナーが入ってから、必要なだけミキサーでメレンゲを作り、生地に合わせ焼き上げます。
